The entire inner portion of the body is covered with mucous membrane this membranous tissue is abundantly supplied with blood vessels, veinarteri , and capillaries. Each of these is constantly supplying to this tissue or lining, blood to nourish and strengthen it and keep the system healthy When the blood becomes infected with catarrhal matter it is not able to fur nish the required amount of healthful properties, but feeds the parts wit impurities which disease the membranes and tissues so that they become irritated and inflamed, and Catarrh, with all its disagreeable and dangeron symptoms, is established in the system. There is a constant ringing in the ears, a thin, matery discharge from the nostrils, the breath has an offensive odor, slight fever often accompanies the disease, and gradually the entire health becomes affected and the system upset and deranged. In its earlie stages, when Catarri is confined to the nose and throat, sprays, washes inhalations, etc., are soothing and in a way beneficial, because they ar cleanly and usually antiseptic, but such treatment has no curative effect because it does not reach the blood. To cure Catarrh the blood must be pur ified, and this is just what S. S. S does.

VEGETABLE

goes down into the circulation and attack the disease at its foundation; it removes the cause and makes the blood pure and healthy Then the blood vessels are filled with fresh reinvigorated blood, which is carried to al the mucous surfaces and linings, the inflam mation and irritation are corrected, the symp
